- **From the tournament director:** “Encourage a fast pace of play to your players. I am encouraging "ready-golf" to be played. Players should assist others by watching each others shots and looking for golf balls to speed up play. Provisional shots should be played when a ball may be lost or out of bounds. Groups should try to maintain a pace so they are keeping up with the group ahead of them. All players should be prepared and ready to play when it is their turn.”
