

Ridge View High School
Men's Soccer Booster Club

2009 Season

Dear Community Members:

On behalf of the 2009 **Ridge View High School Men's Soccer Team**, we would like to extend an invitation for you to partner with us.

We are inviting local merchants to promote their business with a 4' x 6' vinyl banner. Banners will be mounted on the fence surrounding the soccer stadium. These banners are custom made to your specifications and will be made available, upon request, for your use during the off-season for advertising at other events or for display in your place of business (see attached form for design specifications).

This collaboration offers a mutually beneficial service. To you, our sponsors, we offer significant visible advertising during the entire spring sports season; while your contribution allows us the opportunity to strengthen the **Ridge View High School Men's Soccer** program.

The \$250 cost of the banner is tax-deductible to your organization. If you would like to renew your sign from last year, the cost is reduced to \$100. All banners will be mounted in February, and will remain up until the season ends in May.

In addition, you may show your support by purchasing a print advertisement that will be included in our 2009 RVHS Soccer Program (see attached form for size options).

The sponsorship deadline is February 1, 2009. Checks should be made payable to **RVHS Men's Soccer Booster Club**. Please complete the attached business advertisement form and, if purchasing a banner, the banner order form. Give the form(s) along with your check to the RVHS player / parent representative, or mail to the address included on each form, before the deadline of February 1, 2009.

*We recognize that we are not the only ones asking for your support. Please know we are grateful for your consideration of these opportunities, and look forward to working with you in supporting our **Ridge View Blazer Men's Soccer!***

Sincerely,

Derrick Braddock

RVHS Soccer Booster Club President
