Any time away from class (including disciplinary reasons) will have to be made up by the student at a cost of \$15/hour (\$.25/minute—or any part of a minute) per class missed. A student missing an entire day's class, for example, would have to pay \$60 to make up that class. Students will be allowed to make up a maximum of 8 hours per class. The make up date is: *Saturday, July 18th*. **Any student failing to make up and pay for any missed time will not receive credit in the class.**
