

Growing Your Professional Learning Network at Ridge View

PLN Groups

Blackboard Assessments

Getting Started with Blackboard

Social Networking in the Classroom

Creating SMART Notebook Interactive Lessons

Web 2.0 Writing Tools

Podcasting and Digital Storytelling

Expanding your Personal Learning Network

Google Earth and GPS Web Page Development

We're trying something new this year! Teachers will be placed in groups with other teachers who have similar technology goals. You must attend at least 2 hours of technology sessions as well as the 3 faculty meeting sessions.
